LAW ENFORCEMENT EXPLORER POST MEETING

The Herndon Law Enforcement Explorer Post #1750 is open to Herndon area youth and young adults ages 15-20. The program is administered by the Herndon Police Department as a service to area residents of the Town of Herndon. Members receive law enforcement training, citizenship education, and gain experience in leadership roles. Exploring is a youth led program with police officers serving as advisors and facilitators for the program. The Post routinely will provide community service by assisting police officers with crime prevention activities, fingerprinting and photographing of youngsters, police open houses and community events, as well as distributing public information and wanted fliers.

Exploring is a great way for youth to prepare for their chosen field or help them decide if their interest is strong enough to lead them into a law enforcement career. Many active officers were once Explorers and have gone on to varied career fields; building upon the skills provided through the Explorer program.

The Herndon Law Enforcement Explorer Post will host its annual recruitment and informational meeting on October 27, 2005 from 5pm-7pm at the Herndon Police Department located at 397 Herndon Parkway, Herndon, Virginia. Interested young adults and parents are invited to attend. For more information please call 703-435-3134.
